GREEN Mantralaya

"Green Mantralaya" is a great concept initiated by His Holiness 108 Sri Suyateendra Teertha Swamiji. It has been taken up to bring back the ecological balance around Mantralayam which is unfortunately getting diluted.

Around 5,00,000 plants will be planted at the chosen places in and around Mantralaya. Initially it is planned to plant the fast growing trees and in the next stage gigantic trees like banyan, pepal, teak and other long term trees will be planted.

Implementing "Green Mantralaya" programme in the barren lands of Mantralaya and its surrounding villages is a herculean task. Srimatha looks forward for devotees contribution and volunteering.

This project is designed in such a way that every devotee can participate in this plantation in various ways.

Devotees may ...

- ... provide plants
- ... sponsor for plantation
- ... contribute farming equipment
- ... adopt a tree for a specific duration

A tree will be named after the donors when it is adopted for life time.

Donations made towards afforestation programme are exempted under section 80G of Indian Income Tax Act.

May the supreme Lord, complemented by all the Gods, create auspicious and spacious cowsheds for our happiness and populate them with cows and calves. Let us rejoice the cow-wealth and contend by serving those cows.

(Posthumously)

Vidwan Sri P.S. Lakshminarayana Upadhyaya was a Versatile, multifaceted Research Scholar. His scholarly rapport sets no geographical limitation. He was an exponent in Philosophy, Logic, Grammar and Astrology. Despite having such an extraordinary talent Sri Upadhyaya stands unique by his humble characters. Sri Upadhyaya served the post till His last days. Under his monitorship only the Panchanga of Srimatha was started. Sri Gurusarvabhouna Magazine of Srimatha was also started under his stewardship. He has translated the magnum works of Sanskrit *Sumadhva Vijaya, Sri Raghavendra Vijaya, Sadachara Smruti, Usha Harana, Sri Ramacharitra Manjari and Sri Krishna Charitraya Manjari interestingly into Kannada Language. He has also authored several independent works like Sri Raghavendra Suprabhata, Sri Raghavendra Gadya and many hymns on Sri Raghavendra Gurusarvabhouna.

Sri Upadhaya has bagged numerous awards including President's Award for his collective works. His Holiness Sri Suyateendra Teertha Swamiji deems it fit to honour him Posthumously by presenting Sri Raghavendra Anugraha Award of this year.

Sri Sudheendra & Sri Waman

Sri Sudheendra and Sri Waman are a service oriented pair. They are lucky to be born in a culturally rich family of Sri Krishnamurthy and Smt. Saroja. Their ancestors are well known Scholars. Their immense devotion on Sri Rayaru is inherited. It is because of humble devotion on Sri Rayaru that the brothers are of higher caliber today. Both have been closely associated with Srimatha for the past several decades and actively participating in all developments. Despite offering contributions liberally in a huge quantity Sudheendra and Waman never wanted to come into the light of publicity. However it is worthy

to mention the following two examples of their generousness. They have contributed the Golden Pallakki that serves Sri Rayaru every day at Mantralaya. At present the Kumbhakonam matha is being renovated in all dimensions with generous contributions of Sri Sudheendra and Sri Waman.

The prestigious title of
Asthana Vidushee
will be conferred on
Kalaimamani
Vidushee A. Kanya Kumari

A leading Violinist, strictly adhering to the traditional form of Carnatic Music as a soloist, teacher, inventor and organizer, A. Kaynakumari has been in the field for more than 4 decades. The hallmark of her music is her playing style, which very closely resembles vocal Music. Besides being a performing artist, Kanyakumari is an excellent teacher. She has been honoured by many awards namely Sangeetha Kalasagara from Indian Govt. Sangeeth Natak Academy Award from Government of India, Kalaimamani from Govt. of Tamil Nadu, Sangeetha Choodamani Award from Sri Krishna Gana Sabha, Chennai.
